Application number.....  
 Date received.....  
 Preliminary response (Tick  whichever is applicable)

Fertilizer already registered	
To be registered after laboratory analysis	
To be registered after field trials	

Date of approval/ rejection.....

**1. Applicant details:**

- a) Registered business name: .....
- .....
- b) Address: .....
- c) Address in Tanzania if different from above: .....
- .....
- d) Type of Fertilizer dealer (Manufacture, Importer): .....
- .....
- e) Name and Address of Importer of Fertilizer and/ or Fertilizer supplements .....
- .....

f) Name and address of firm consultant (s): .....

**2. Details of the fertilizer and fertilizer supplements**

a. Common name(s) of the Fertilizer and/ or Fertilizer supplements:

.....

b. Trade name(s) of the fertilizer and Fertilizer Supplements.....

.....

c. Nutrient content.....

d. Category of Fertilizer and / or Fertilizer supplements (Mineral fertilizer, Bio fertilizer, Organic fertilizer, Synthetic growth hormones, Agricultural lime or Gypsum) .....

e. Properties of fertilizer and fertilizer supplement:

i. State (liquid, solid) ..... colour..... particle size (if applicable) ...  
.....

ii. Solubility(g/l) at room temperature.....

iii. Moisture content (if applicable) .....

iv. Flammability.....

v. pH.....

vi. Levels of heavy metals in percentage contained in fertilizer or fertilizer supplements (As....., Cd....., Hg....., Ni....., Pb....., Se....., Mo....., Co....., Zn.....)

vii. Levels of radioactive materials contained in fertilizer or fertilizer supplements (U..... K..... Th.....)

**3. Give a summary of the fertilizer or fertilizer supplements side effects**

a) Allergenicity of the fertilizer and/ or fertilizer supplements.....

.....

- b) Possible hazards to environment and people applying and handling the fertilizer and/or fertilizer supplements.....  
.....
- c) Heavy metal tolerance data treated with the fertilizer and/ or fertilizer supplements.....
- d) Radioactive materials tolerance data treated with the fertilizer and/ or fertilizer Supplements.....
- e) Residue tolerance data in substance treated with the fertilizer and/ or fertilize
- f) Supplements where possible International accepted levels should be given:  
.....
- g) Any other residues harmful to environment (soil, water, plants and animal products) .....

**4. Safety**

- a) Recommended precautions in handling the fertilizer and/ or fertilizer supplements .....
- b) Recommended first aid in case of side effects .....
- c) Recommended methods of disposal/destruction of substandard fertilizer and/ or fertilizer Supplements.....  
.....

**5. Analytical Methods**

Provide official method of analysis for parameters contained in fertilizer and/ or Fertilizer supplements.....

**6. Technical Data**

- a) Common use of fertilizer or fertilizer supplements.....
- b) Target crop.....
- c) Methods of applications.....
- d) References of recommended use by authorized body (i.e.) Tanzania  
.....
- e) References of recommended use by authorized bodies outside Tanzania:  
.....
- f) Reference where the product has been applied showing the application rates  
  
(metric Unit) .....
- g) Residual effects of the fertilizer and/ or fertilizer supplements in the  
  
soil.....

**7. The Label**

- a) Append three specimens of fertilizer and/ or fertilizer supplements, exact label of the products as it appears on the container.....
- b) Enclose specimens of any extra information pamphlets regarding fertilizer and/ or fertilizer supplements.....
- c) Mention shelf life.....
- d) Storage condition.....

**8. Details of the Manufacturer (if not the applicant)**

- (a) Name .....
- (b) Physical address .....

(c)Name and Qualifications of the technical in charge.....

**12. Certificate**

I/ We certify that the information given above is correct to the best of my/ our knowledge using the information and scientific data available to me/ us.

Name of Authorized officer(s).....

Signature.....

Title.....
